PUPPY PROGRAMS

PUPPY PROGRAMS - From 14-24 weeks old
(On and off leash programs)

This program is for those that don't really want their puppy to stay overnight but would like training more often than lessons. This also offers owners the ability to be more involved in their puppies everyday training. Each day we will teach you everything your puppy has learned and what to continue at home.

BASIC
Starting at $600
This program is 1 week of training, 3 days. Training days will be held on Monday, Tuesday and Thursday. While your puppy stays with us during the day, he/she will learn crate training, leash training, basic commands, get proper socialization and manners.

INTERMEDIATE
Starting at $900
This program is 2 weeks of training, 6 days. Training days will be held on Monday, Tuesday and Thursday. While your puppy stays with us during the day, he/she will learn crate training, leash training, basic commands, get proper socialization and manners.

On the second week, we start applying duration to all commands such as sit/stay, down/stay, place/stay, correct bad behaviors such as jumping, mouthing, barking, and more.

BOARD & TRAIN PROGRAMS

Our Board & Train Program is a more detailed training program where we work with your puppy all through the day, seven days a week to give you a great balanced, well-behaved dog. Boarding your puppy here gives us the opportunity to see all of your puppy's behaviors so that you can encourage or modify behaviors as needed. This allows us to set good behavior patterns so that you can enjoy your puppy even more

Our highly effective programs are the only dog training programs in North Charleston that are truly able to consistently provide amazing results for any and all dog behavior issues. All programs come with a lifetime support to ensure your puppy stays on the right track.
